The Lady:

Brazilian with hour glass figure with a face of an angel very pretty. Her figure is perfect 10/10 Has 3 Tattoos which just makes her look even more yummy.

The Story:

Larissa opened the door and wow I was taken back by her beautiful face! As we walked up the stairs I had a look at her figure and liked what saw, man was I feeling horny looking at her. Agreed services and once Larissa was in her birthday suit my god what a figure hour glass with a juicy rear, which is just what I needed. Started with a Covered BJ then a few positions of course from behind had to see that booty bounce. Larissa has to be one the most beautiful working girls I have ever seen & on top of that she has a figure made for pleasure. She is very easy going and loves her job if you treat her nice she is more then happy to return the pleasure!!!
