The Premises:

I visited Cat in a neighbourhood somewhat 3 miles out of the main town centre. The surrounding area was very quiet and extremely secure. Suitable provision was given to guarantee anonymity and the facilities on offer were more than adequate.

The Lady:

Cat is a delightful, late 30's, blond lady, with a very chatty, amicable persona, oozing confidence in her profession, with an engaging and caring touch. She was very conscientious particularly to ensure that all my needs were met and proffered a no-rush experience.

The Story:

Having been called to the city of York, I decided to provide myself some light relaxation with some female company whilst on my travels. During my brief research, I found Cat and called, making all suitable arrangements via phone and text, with supporting email correspondence. Since I was a new client for Cat, she took particular care about her timings, which was understandable, if somewhat irksome. I am sure that once visited, she would not be so cautious in the establishment of an appointment.

However, a very enjoyable, relaxing time was had and the hour gave me more than what I had outlined in advance. Cat followed my pre-appointment catalogue of likes/dislikes and accommodated me in every way I requested. She'll freely admit, that she's a free-spirited lady, with a broad Yorkshire accent and the idiom to match!

She offers all services ex A during an appointment and I'm sure that once you become a regular with this lady, routines and customs can be procured to fulfil all needs. Due to a stress-filled weekend and the need for onward transportation, I did not pertain the stamina or capability to enjoy a second round, but no boundaries or hindrances were put up.

In conclusion, a lovely lady, more on the mature side of the profession, but with a bubbly and confident manner, who will satisfy any requirement without abandon, but can be overpowering in the 'taking-care-of-you' way! If independence and dominating roles are your kicker, then this can be challenging to accept, but I would thoroughly recommend on a quality basis.
