The Premises:

Reported so many times before, often by me. Good parking, and the lift up - once used to it - is perfectly OK. On this occasion, I was directed by friendly receptionist Julie to the best room in the shop - refurbished a year or two ago, with sumptuous drapes and mirrors in the ceiling and all round the circular walls. Normally costs an extra tenner, but this seemed to be a welcome free upgrade: thanks, Jules.

The Lady:

Amina is full Indian (though pale-skinned), and, as a size 8, is slim from the waist down. However, she has the most stupendous natural DD boobs on this schoolgirl frame. She has waist-length straight black hair, and is very well-spoken.

Lily has a Chinese Grandmother in her ancestry, and one can still see the almond-shape in her eyes. She's shorter, but curvier (though not in any sense fat). She, too, has nice tits, with lovely nipples.

Both are, I'd guess, in their mid-20s.

The Story:

I'd had both of these girls before in a twosome with others: for instance, Lily works very well with Daisy (my "two little flowers"), with whom she is very friendly in the room, but this was my first time with these two together.

Fellow-punters, these girls are just so friendly, approachable and "into it", and it would take a lot to convince me that they are not enjoying themselves, ridiculous as I know that sounds. They both make enoying / encouraging noises while being fucked, and both give superb OWO (?10 each on top of the ?80 basic). A wonderful session which culminated in a goodly cum over their breasts.

Lily's normal shift is Saturday (which is when I usually see her with Daisy: she was just filling in here, I believe), while Amina works Mondays, Wednesdays and Fridays.

These two are both real finds. Amina is just a month into the industry from fresh, and Lily has just

returned to it after quite a long (4 years?) break.
