usual high HOD standard

The Lady:

beautiful Czech girl, blonde tanned non smoker, late twenties, tastefully enhanced breasts (ie no dead heat in the zeppelin race) and lovely personality, gorgeous shapely body which has never experienced the rigours of childbirth.

The Story:

As authentic a GFE as you can get without being screamed at and having a shoe thrown at you. Suzi is more fine claret than six pack of lager. She has the most amazing clitoris that seems to stand guard over her velvety vulva and is very responsive to a tonguelashing. Not averse to botty play, in fact the only girl I've ever rimmed in my entire life. I always arrive intending to give Suzi a good seeing to and end up licking her earlobes and stroking her eyelids. Gentlemen of a certain age will understand!
