The Premises:

A nice flat in a decent area just north of the city centre. Good shower facilities, and the bedroom very clean and tidy.

The Lady:

A lovely slim and tall brunette in her early 20s.

The Story:

Alexis was at a good agency in Nottingham until recently and I've been seeing her regularly for the last couple of years. So I was very pleased when she left the agency and carried on working as an independent.

She is always immaculately turned out, wearing the sort of outfit I like (stockings/heels etc). A genuinely very pleasant and intelligent girl, but most important, I have no doubt that she really enjoys sex and boy does it show in the bedroom; equally she is very attentive and makes sure she looks after you.

Every time I see her the sex is great. If positions matter to you, we generally go through 5 or 6 - mish, cowgirl, reverse cowgirl, spoons, doggy, one or two that I couldn't put a name to.

She's an interesting girl to talk to as well - one of the few escorts that I've taken out for a dinner date, and the time just flew by.

I could go on, but you get the message. I see Alexis at least once every couple of weeks, and after numerous punts I keep wanting to come back, and start to get twitchy if I haven't seen her for a little while.

Overall my favourite WG and highly recommended.
