The Premises:

This walkup is near Walkers Court, 6 Peter Street first floor. It is clean inside.

The Lady:

Christina is an East Europaen girl, mid 30s around a dress size 12, quite large breasts.

The Story:

Following a rather nasty and delicate operation I needed a simple punt to make sure everything was ok. Unfortunately I chose the wrong girl. Everything was "that costs more" and I got fed up with it. Topless was extra and even then she covered her nipples with her hands because they were too sensative. I somehow got an erection despite only 20 seconds of covered oral. She climbed on top in the reverse cowgirl position and leant forward so I couldn't touch her breasts. All the time she kept trying to get me to have breast relief for 30 pounds extra, but I wasn't interested. She finished me by hand and that was the only good thing.

Definitely avoid this girl.
