The Premises:

A little while ago, Brooklyns was refurbished and extended; and they did a good job. I was in the "old" back room, that is now fully en-suite with the shower that used to be in an adjacent room. Unfortunately, the video was out of order. The receptionist, Sue, was very nice: discreet and welcoming.

(The waiting room is a little public; after my session I had to walk past two punters awaiting their turn).

The Lady:

Although in her forties, she looks literally ten years younger. She is amazing for her age, and she confirms my preference for well-preserved mature women. She has a superb figure, lovely coffee-coloured skin, black hair, bright flashing eyes, full sexy lips and perfect teeth. With her distinctive cheekbones and jawline, she has a slight resemblance to Minnie Driver.

The Story:

I went to Brooklyns hoping to meet Foxy and I was delighted she was free. She turned out to be bright, witty, intelligent and very sexy. In the room, she is versatile and will do most things (including anal, which I shall save for another time); and the only thing she won't do is deep kissing. She was very obliging, and really nice to be with.

As she entered the room, she was already undoing her basque. We started with a warm greeting as she helped to dry me after my shower. I asked her to keep her stockings and high heels on, and then things got going. She let me give her reverse oral at no extra fee, always a good sign. A sexy massage was followed by really nice OWO, then delicious sex in the mish, finishing off by hand.

There was no hurry, and I had my my full time. There were a couple of discreet knocks on the door as time expired, but there was no pressure to finish quickly. Overall, a brilliant half-hour.

Foxy has been in the massage business for a mere 18 months or so, and is still fresh and enthusiastic. However, she may move to more interesting pastures before long, so grab her while

you can!

In short, Foxy is gorgeous, charming, fabulous, wonderful I think I'm falling in love!!
Very highly recommended!
