The Story:

Welcomed in a led to one of the massage rooms to wait for Jessica. Jessica entered and we said our hellos and I went for the Naturist and Body to body.

Stripped off for a very good professional massage chatting about holidays and recent events. Very friendly girl. Think I was boring her thou and was ask just to relax.

After a great massage, she asked if I wanted to massage her. Absolutely! Obviously my massage wasnt as good but she seemed to enjoy it.

My turn back to the table for B2B back and then front.

Soon progressing to a HE. I dont usually go for a happy ending but I just couldnt help myself as she has a very good technique.

Time was still available so she ended with a shoulder massage and a brief shower before heading off after stealing a kiss on her cheek.

Great professional massause, and great HE. Seemed to be a bit hot and cold personality wise although that may be my wittering on and I ended up boring her.
