The Premises:

Lovely area, and nice flat, from what I saw briefly. Tiny bedroom, very untidy, clothes on floor etc.

The Lady:

Not remotely, even possibly the large breasted Amazonian siren I was hoping for and seen on the website. Short, small breasted, slightly overweight, sad eyed tired lady from Brazil

The Story:

Dreadful experience. Can't blame the girl, she was exhausted and tired and probably utterly unaware of how she is portrayed on the website. I should have walked, but I'm too much of a gent. I paid ?10 over the top. So generous AND naive....

Took clothes off immediately. No kissing. Covered oral. Mechanical and robotic, poor girl clearly not enjoying it.

After 25 minutes of feigning enthusiasm I couldn't continue. She was unhappy (although she claimed she had come!) and clearly wanted to be doing anything else. I left and contacted the agency. This was not what was promised, and I felt the poor girl was being exploited. Have heard nothing from the Agency except an offer to refund the ?10 on my next visit! There's an insult! I'd warn you all never to use them. Awful. Awful. Awful.
