The Story:

When I saw alicia's pics on the internet I knew she looked hot!

I'd only seen 2 or 3 escort before so I'm new to the scene.

However meeting Alicia was beyond my belief, she was even more stunning in reality...hair slightly lighter than the pics but it complimented

Her soft caramel tanned skin. She has the most amazing curvy body with great breasts! She turned me on just looking at her.

She made me feel comfortable and very welcoming GFE. Then the fun began! Wow does she know what to do with her pierced tongue! She loved licking and teasing me in all the right places, very well experienced compared to the other escorts I've seen before!...

I saw her for 30mins which was not enough so I re-booked her the following week for an hour! And had to extend! All I can say was 90mins well spent!
