### The Premises:

End of Terrace ex Council House in a quiet street. Plenty of free parking, reasonably close to bus routes, Trains ? Room is basic but clean with fit for purpose double bed.

### The Lady:

Tall and slim Malaysian girl in her early twenties. Reasonably full breasts for an oriental girl with nipples verging on the organ-stop! Friendly and obliging nature. Very clean.

### The Story:

I explored Jasmine's fresh young body, especially those nipples. Covered O levels was followed by sex in several positions, culminating with Jasmine on her back, bum right on the edge of the bed and her feet up beside her ears, what a wonderfully flexible young lady!

My first visit here, amazing value, I will return!
