The Story:

well julia is a find in that she REALLY does provide a GFE with PSE thrown in... all i can say is that she is at ease with her body and enjoys pleasing her clients.

Full on DFK, no inhibitions about OWO. due to my normal state of mind I took long to finish. However julia allowed me to do it for the WHOLE hour, i must admit time flies when your having fun however i felt guilty afterwards as i put her through an hour of exercise without stopping and she took everything i had to give even though she felt slight discomfort towards the end... i apologised as that was never my intention. I must conclude that she may need to rethink and stop clients if they are too over bearing. in closing I must end this report by giving julia a gold star for such a wonderful experience and have now found another lady who i can regularly visit after losing my last "friend" and as stated by keyan and dreamweaverman is really highly recommended.
