### The Premises:

Clean flat in a good, busy area. No one would be in the slightest bit interested who you are or where you are going.

### The Lady:

Tall blonde with very impressive boobs. Good figure - her website suggests she offers dom services and although I didn't find out, I wouldn't be surprised.

### The Story:

A very warm London evening and I had been meaning to try HoD for a while. Found myself with time to spare as a business meeting was cancelled at last moment so called on the "off chance". In all honesty, after a 20 minute walk to the flat I wasn't really in the mood and found myself in the room wondering why I was there! Had a gentle rather than rough time with a very pleasant lady who can make sensible conversation on a wide range of topics. Good firm massage followed by a natural progression to oral and beyond.
