### The Premises:

As previously reported, very comfortable three bedroomed house with two showers and plenty of room. I have been to several parties here and they just get better

### The Lady:

Four girls at this party, Tina a stunning black girl who really gives her all and can't do enough to please. Jade a beautiful sensual Brazilian girl with a warm smile that could melt the polar ice caps. The wild and raunchy Amanda, another Brazilian girl and last but definitely not least Daine, a mature lady who again will do all she can to please

### The Story:

Pam is a great host and seems to always have a variety of girls and regardless of numbers I have never felt rushed to please all tastes. Great value for money but a word of warning these parties can be very addictive
