The Premises:

Very smart block of apartments in a safe area and just a few mins walk from the Underground station

Apartment had discreet entrance and very clean, and as I was visiting a Japanese lady, I though I was off to a good start as I was asked to take my shoes off at the door

The Lady:

The lady who saw me when I entered the hallway did not look like the photograph of Niko, and when I asked her in English if she was Niko and Japanese she said nothing but gave a deep bow (this is a good giveaway fella's) so I was immediately suspicious that this was a bait and switch set up. Just to be sure, I spoke to her in Japanese, and it became clear that she could not speak Japanese - and she was not Japanese

The Story:

At this stage, the real Niko appeared and she explained that she was unwell, and that she had asked her friend who was Hongkong Chinese to stand in for her. I spoke with Niko and asked if it was possible for me to see her without having actual sex (this being the reason for her unwellness) and Niko agreed, as well as mentioning that she had excellent oral skills. Niko is a beautiful, charming, intelligent and a very sexy size 6/8 girl with a perfect figure and long black hair. Whilst I was showering, she put on at my request a black bra and skimpy black thong, and when I entered the bedroom she looked an absolute treat. I should mention that prior to having a shower, I got the full Japanese treatment, as she undressed me and escorted me to the bathroom where she turned on the shower and made sure the water temperature was right. The bathroom was spotless and I was given freshly laundered towels

Niko certainly lived up to her claim re oral skills, as she teased and tantalised my straining erect member with her fingers and tongue

She is an excellent passionate kisser and she certainly knows how to make love. My one regret was that I was unable to give her an orgasm or to enter her as her nether regions were out of bounds so to speak

Niko finished me off with expert oral "without" (which she charges an extra ?20 - so be aware of this) and it was a mind blowing and a draining experience

Upon leaving Niko helped me put on my shoes and tied the laces up for me - another gratifying Japanese touch

All in all, an excellent satisfying visit, and only marred by not being up front re the Chinese girl who was standing in for her

I shall certainly be returning to see Niko and looking forward to a full one hour service from her
