The Premises:

In a block of flats with a common entrance. You are asked the flat number that you are visiting and then directed to the right escalator. The flat itself is well fitted out and clean. She shares the flat with another WG who was present during my punt. A rather pleasant place to punt.

The Lady:

Slim with enhanced breasts that are in proportion. A magnificent arse - firm and inviting. Beautiful olive skin - overall a 10/10.

The Story:

I was greeted at the door by Hannah in a fishnet bodystocking and string. I was shown to the room and offered a shower that I took. When I got back to her room, I was greeted with a spectacular rear view of Hannah bending over preparing her "work-station." She asked me what I liked and we got down to business. A lot of full-on french-kissing, quickly followed by her using toys on me including some anal play, whilst I indulged in some RO and rimming. After a while, we came up for some more DFK and much fondling, before I made my way down her body to sample her beautiful, shaved pussy. This bout of RO ended in a noisy orgasm for Hannah. Then round one was completed by expert owo and an "at discretion" cim. Hannah then gave me a good massage as an interlude, followed by more fondling and french-kissing until I was ready for round two. As usual, I failed to cum, but I enjoyed cowgirl, doggy and missionary for a good 15 minutes, before my time was up. Another shower and a kiss and I was on my way with a smile on my face. A fantastic punt. Can't wait to visit again.
