The Story:

This lady was incredible, it was late at night and Kirsty at the agency as usual did not let me down. This was simply the best escort booking i have had for at least a year. Lauren was very accomadating, not at all bothered by the late hour. SHe came dressed exactly as requested. This was a full GFE with loads of kissing and OWO which is clearly her speciality, complete with a tongue stud. SHe simply went hell for leather no messing around trying to use up the time this lady came for a purpose and acheived her goal. Finished with CIM and swallow. I will be seeing her agian.
