The Premises:

A flat above a parade of shops near the M54. The area is OK. The flat is functional and serves a purpose. I felt safe and as the entrance is around the back, it's very discreet.

This was my third visit and to be honest for the type of location I have seen some really fit girls.

The Lady:

Gorgeous half British/half Asian girl. Quite tall and a stunning figure. If you're into dark skinned girls with those amazing almond eyes then Sabrina is a must for you. Enchanced(?) breasts and a really inviting personality.

The Story:

A really enjoyable punt with a sexy woman. The price range here goes from ?30 - ?70. I wanted a nice lubed handjob with the addition of shooting over Sabrina's tits. She disappoint! A very raunchy lady who pushes all of the right buttons.
