The Premises:

Debbie?s ? Very popular and always welcoming. Bedroom has been redecorated and retains the wonderful circular bed.

The Lady:

Tiffany I would place as mid to late 20?s, very bubbly, chatty and friendly. She is quite tall, which is great for me as a six footer. Slim and pretty with long black hair framing a very beautiful face.

The Story:

From the start I was greeted with a nice hug and a kiss. She was wearing the skimpiest Gingham bra and panties which looked absolutely fantastic on her and so sexy.

Had a quick shower (on my own) then into the bedroom. Was asked if I would like a massage but I offered instead to give Tiffany a short massage, which she seemed to enjoy. Then followed with some nice kissing, oral and RO alternating with her rubbing her clit (a wonderful sight) until she came over my tongue.

Then onto sex in mish and doggy, finishing with her on top (which is unusual for me and a credit to Tiffany for being able to make me cum that way).

As always, there was time for a cuddle and chat afterwards and I never felt rushed even though I think someone else may have been waiting.

I fully intend to see her again and next time maybe go for the shared shower option.

Definitely recommended
