The Premises:

Well decorated, large clean ground floor apartment near Paddington Station - sitting room with bar, good bathroom/shower, bedroom nicely prepared with candles.

The Lady:

Milena is an intelligent Latvian business woman with excellent English and a great sense of humour. She is a little older than the web site suggests but that is how I prefer it. The photographs on the web site are accurate. I was particularly attracted by the top RH photo of her in white lingerie and stocking on her web page and that is just how she looked. She wore the stockings as well - lovely!

The Story:

I really enjoyed the time I spent with Milena. The evening was full of good conversation (with gentle teasing on her part), sharing a bottle of bubbly, very nice DFK and oral both ways which I certainly enjoyed and I think she did (CIM on offer I think but I did not partake). But the best for me was the wonderful caressing and cuddling after the main event - among the most sensual I have ever had!
