The Lady:

As per web-site looked even smaller without heels on. Hair cut shorter than in web-site pics but very pleasant looking and nice figure although she doesn't have much of a backside if that's your thing.

The Story:

Was offered use of the shower whilst she went out the room. As I was drying off she came back in so none of that waiting about lark. Started with a massage on my back then turned over after about 5 mins for more of the same all the time she was talking to me and having a bit of a laugh with me which was good. Started to gently wank me to a stiffy whilst kissing my nipples at the same time. Played with ample bust and stroked and licked her nipples. After about 5-10 mins of this she applied the rubber and I went on top and then from behind after a little while. She was a little apprehensive i.e. hand hovering by her pussy so has to stop full penetration but she relaxed more when she realised I wasn't going to go at her like a battering ram. Eventually climaxed to my satisfaction all in all a good service provided by Nichole.

Would go back to see her but not until I have seen Sienna, Amy, Victoria, Anna, Destiny and Vanessa
