The Premises:

Nice smart apartment block very close to Redhill station, safe area and everything was clean and tidy.

The Lady:

Typical oriental lady in both looks and size, fit with nice nips, maybe Thai.

The Story:

Not the best of communication skills by the receptionist, combine this with their security measures for a first timer I almost gave up, but once you get let in its easy and well worth it!

As it was my first time I just went for the basic 30 minutes (despite it being a birthday punt)french and sex with a first class massage, very plesent but not much sparkling conversation but the sex made up for that! they offer an hour for ?100 and OWO is only ?10 extra so next time I shall go for the full monty!
