The Premises:

Converted Victorian house, set back from road in respectable residential area. Free parking (max 2 hrs) in cul de sac adjacent. Impeccable directions from receptionist.

The Lady:

Tall, slim, long (bottle, but well done) blonde. Lovely figure in general. Good English. Her own (I think) very nice and sensitive breasts, and silky skin. Bright eyes. A genuinely nice girl, I think.

The Story:

30 minutes is ?50 here, but with OWO and (some) kissing it rose to ?80, which I thought very reasonable. Vanessa is from Spain, and "working" her way through her degree at an outer London Uni, where she is in her last year. Unlike many such "amateurs" she participated with reasonable enthusiasm, and ensured that after vanilla OWO and missionary (my choice) I left with a smile. I was not turfed swiftly off the bed after climax, but was allowed to get my breath back, before being very nicely cleaned up, and then was given a pleasant and relaxing back massage before dressing and leaving.
