The Story:

I decided to go and see Sheba for myself after hearing great things about her. She is a half Pakistani girl with silky black hair. Not sure of her age, as with all places the ladies real age is never disclosed. Having said that, the girls I have seen at indian palace do look around the age advertised. Anyway I was told she was 24 over the phone but she looked around 26 to me, but who cares she was still one hot woman! I loved her figure and her legs, they were smooth and soft to touch. This girl was really up for it and knew exactly what she was doing. Amongst other things, she loved me giving her reverse oral, I got the impression she didn't want me to stop. It was a very sexy and memorable hour, had I not had to rush back to work I would have most definitely extended.
