The Premises:

A flat in a terraced house near Chatham rail station. Whilst not the nicest area there was plenty of street parking, which is safe in the daytime. The flat was both dirty and messy and had old/broken down furniture. For example the bed we used has messy bedding & was two singles pushed together - one was broken.

The Lady:

Very early 20s, shapely, busty girl with pretty eyes and long black hair. Was wearing a t-shirt & mini-skirt.

The Story:

Whilst I was put off by the flat, I ignored this due to the price & the fact that Danni is nice looking was polite and clean. However she is definitely not classy. She gave ordinary OWO without much effort, but seemed to enjoy the reverse, however it was difficult to tell as she is not very vocal at all. However she has a nice tight pussy & I recommend letting her go on top, as you also get easy access to her lovely tits & nipples. Apart from the flat fairly good value for the price if you fancy a bit of "chav".
