### The Premises:

As previously reported new ground floor flat near Tesco. Greeted by the maid like a long lost relative.

### The Lady:

Amy is a five-foot nothing Chinese girl from Hong Kong. Difficult to tell her age but pretty with long dark hair. Her distinguishing features are her nipples which "stood out like chapel hat pegs"!

### The Story:

After we both undressed we kissed and explored each others bodies. Not exactly GFE kisses but nice enough. Agreed early on to OWO for an extra ?10 on top of the ?50 half-hour charge. Great uncovered blow job with lots of eye-contact and deep-throat. Enjoyed it so much changed positions several times. Eventually, on with the rubber for cow-girl, doggy and mish to finish. She seemed to find me big and winced a couple of times but didn't complain. More kissing and sucking of those huge nipples until I filled the bag. After a quick clean up nice back massage until me time was up. A very satisfying punt at a reasonable price. No doubt I will be back.
