The Premises:

It was ok but nothing to write home about. Although it was safe, in a residential area with plenty of parking

The Lady:

5 foot 4 said she was 24 which is about right. voluptuous and very pregnant, which was a bit of a surprise as she had said she was only just pregnant.

Pink hair, tatoos and piercings in nipple and clit. Pretty face with lip pierced.

Her Tits where her saving grace

The Story:

So so punt, she was pleasant and willing, asked what I wanted . she was only wearing a dressing gown, could have spiced it up a bit.

Got down to business, played for a while, decided on just a blow job although more was on offer, she was struggling with the bump.

CIM, ad go.

she was very passive throughout and needed to put a bit more effort in. If pregnant women are your kick she is just the job
