The Story:

A beautiful Indian girl in her twenties. She greeted me at the door wearing a sexy black babydoll and stockings, so I was hard before I had even entered. Ria is a very gracious soft spoken women. After offering me a drink I handed over the money, she then left the room for a minute. We talked whilst she gave me a very sexy body to body massage. I was trying hard to concentrate on our conversation but her sexy massage was making things very hard (excuse the pun)! Covered oral for me followed by me tasting her asian delights. Started sex in mish and finished with me standing and her bent over the bed. I had just enough time left over to get another massage and this time I could actually concentrate on our conversation. Great punt with a very beautiful young lady.
