### The Premises:

Spotless penthouse apartment, easy to find and discreet, decorated nicely, friendly receptionist very helpful, offered drink upon arrival.

### The Lady:

Proper little stunner, about 23 years old, nice and slim, very pretty face, long blonde hair down to her waist, nice pert boobs, a peachy little bum, lots of tattoos but i'm tattoo mad so that suited me fine,

### The Story:

Anna came into the room wearing sexy lingerie and she looked fantastic in it, we started with a massage and a chat which soon turned into kissing and exploring each other's body. I then gave Anna oral to which she responded well. She then returned the favour and wow the lass knows how to use her mouth. I had to ask her to stop as I didn't want to peak too early lol. We spent a few more minutes kissing and playing with each other then Anna popped the hat on me. She straddled me, it was great to see Anna bouncing up and down on top of me and she kept eye contact all the time. It was nice to see her smile as she made me cum, we finished off with another massage and some more chatting. Anna is worthwhile visiting. She's a proper nice lady, I left very content and with a big grin.
