Serena is a young-looking Thai girl with short dark hair and a pretty face.

### The Story:

At first Serena was a little bit distant on her first day here, I think, but soon we were chatting happily and she enjoyed receiving a massage which seemed to relax her.

We moved on with both of us letting hands roam and then had really prolonged and energetic sex with both of us very fully involved and that seemed to satisfy us both.

It was interesting seeing Serena relax and her probably natural sexiness show through more and more as she felt she could relax and trust me.

She is well worth seeing when she is back in the area.
