The Story:

Great time.

Alicia is still a teenager but has a real personality and a willingness to engage in interesting and often rather enlightening conversation.

Paid extra for kissing and got far more than a basic service so pleased I made that choice.

Spent a little time cuddling and kissing and a long time giving her oral which we both enjoyed.

Then on to very satisfying sex.

Alicia is a real find, is very responsive and a smashing lithe young girl to get to know a little.

Excellent time.
