The Premises:

Carla's apartment is in a newly built complex just off one of the main routes in and out of Scarborough therefore it is quite easy to find. The area itself seems very quiet and secure so I was not at all concerned about leaving my car. Also, there was plenty of on street parking available.

The Lady:

Carla is about 5'6 tall, shoulder length dark brown hair, beautifully smooth lily white skin and a body with curves in all the right places (if you're a breast man then visiting Carla is a must!) It may be a cliché but photographs really do not do Carla justice. You cannot appreciate just how pretty she is until you have met her in person.

The Story:

When Carla opened the door to her apartment I thought I'd got the wrong address. You wouldn't believe how much prettier in person she is than her photos suggest! After having a drink and a chat on the sofa, Carla led us into the bedroom which was softly lit and with music in the background. We started with a lot of french kissing whilst gradually undressing each other. Carla is easily the best kisser I've ever met! She then laid me on my back underneath her and removed her bra. As I said, if you're a breast man (like me!) you'll think you've died and gone to heaven! After a lengthy period of 'breast play' I was treated to a fantastic blowjob with plenty of teasing and eye contact. My turn next! Going down on Carla was an absolute pleasure and judging by how wet her pussy was she actually seemed to be enjoying it as much as I did! The actual sex was even more horny! No need for any artificial lube this time! Sex with lots of eye contact and kissing make for a much hornier experience and that's exactly what I got with Carla. If you have to save your pennies to see Carla then do so. You will not be disappointed. Visiting Carla is an absoluteley mind blowing experience that will leave you very well satisfied. Treat her like a lady guys, she is an angel! Thanks Carla, I look forward to next time XXX!
