Sienna 20's blonde 5'5" 32c-24-34 Taned+tonned body lovely soft smooth skin,nice bum,n/breasts,responsive nipples,pretty face,cheeky smile,easy to talk to and get on with.So much better looking than her pictures on website

Dressed as her pic's,black bask type top,black panties,black knee lenght stockings and high heels,oh and that oh so sexy short frilly dress? thingy.!!

### The Story:

I had pre booked 1hr with Olivia,but upon phoning to confirm,was told she hadn't turned in,I thought my drive to crew had been wasted,until told Sienna was available,I remembered her from the website as a lady I also fancied seeing,so booked an hour.

Given a coffee on arival,then shown to room,showered and waited a few mins for Sienna,she knocked the door and came in.She looked fantastic dressed as above.Sienna asked me if I wanted a massage,I said I'd prefer a kiss.We kissed nicely with tounge while standing,I got chance to take in her beauty with my eyes and run my hands over her bum+breasts.She asked if I wanted any extas,I went for owo+facial ?10 each.I was trying to work out how to remove her bask,when she said there was no sexy way to take it off and pulled it off over her head,reviling her lovely pert breasts,I ran my hands over them and kissed+licked her nipples,by now I had a rockhard hard on. Sienna suggseted we move on to the bed,once there more nice kisses and lovely owo,I like her style not deepthroat but nice licking+sucking of cock+balls,with a little wanking.Sienna said she liked it that my cock+balls were clean shaven,saying they look nicer that way.Kissing and owo continued with a little strawberry lub,very sweet taste,while this was happening I admired Siennas bum in the wall mirrors,runing my hands over it,looked great with her tan and those little black panties.All this was building my balls up to a creshendow,I could feel them wanting to unload.I asked Sienna for a facial,suggesting that I stand with her kneeling on the floor in front of me.In this

position owo ball licking and wanking of my cock continued there was lots of eye contact. I told Sienna when I was about to cum, I shot dollops of spunk on her chin+breasts a little went in her hair and eye, (sorry about that babe), it was a lovely climax for me. We cleaned up got back on the bed and chatted a min.

Round 2 kissing owo running my hands over her fit body, my cock was soon rock solid again. Sienna asked if I wanted a condom, yes was my reply, she gently put it on. I remember saying those knickers have to come off, then pulling them off her. Sienna now reached for the lub again, (thinking I was going straight in). I asked if she liked her pussy licked, perk othe job she replied. I started kissing+licking her breasts+nipples, working my way down to her pussy. I licked her pussy+clitoris, she got wetter+wetter, I inserted 1 finger then 2 fingers, she was making nice noises and her body was moving to the rythem of my hand, with my other hand I tweeked her nipples. We reached the point where I had to fuck her, first in mish, my cock slipped into her wet pussy no need for lub. After a while I asked to change to doggy style. In this position it was great to look down at her bum, and also to look sideways in the mirrors watching my cock slide in and out of her my balls slaping her bum, soon I could hold on no longer and came again another great climax, absolute extacy. We kissed a little and cleaned up. I had a quick shower to wash sticky dicky while Sienna got dressed. She saw me out, as I was leaving I gave her a little peck on the cheek and said thankyou.

I would recomend this lady and will see her again, 10/10

Sienna if you read this I hope you don't mind that I wrote it, I remember you saying you don't take complinants well, but you really are a beautiful, sexy, woman, that knows how to pleasure a man. Thanks for all the pleasure you gave me in that hour. Pasted far too quickly.

Writing this has got me thinking it would be great to spend more than an hour in Siennas company, maybe 1+half or 2hours.

Don't know if Brooklyns or Sienna allow that but would be great if they do.

After seeing Olivias proper photto on the reception wall I still fancy seeing her, page3 type babe. Have to be real good to match Siennas service though it was 5 star.....

Thanks Sienna.....Hugs+kisses.....John...xxx
