The Lady:

She is larger then the photos would have you think. Not my cup of tea. Went because didnt get my first choice and the agency had recommended her based on my preferences, but she clearly didnt meet them. So I blame the Agency here. If you like larger women then go for it as she sure has the tits the pictures promise!

The Story:

The moment I saw her I knew this was not my thing so I paid ?50 and left saying I couldnt carry on. I use this agency frequently so a bit disappointed.
