The Premises:

Flat around the back of a parade of shops. Fairly quiet with respectable estae nearby. Felt relatively safe. Flat a bit dingy and room I waited in was particularly basic. However after a 5 minute wait, I moved to a better room where I met with Sabrina, exchanged monies and got ready to go. Poppers on offer which helped me relax.

The Lady:

Very attractive, half asian girl. Very leggy and gorgeous breasts. Nice smooth skin. All in all a very pretty girl.

The Story:

A superb punt, right up there in my top 10. Sabrina is a very friendly girl who puts you at ease. Nice massage to start with a back rub from her gorgeous tits. Then over for some snogging and play, with us both snorting the poppers and getting really horny. No rush and I had to stop a couple a times as the wof was at the door as we played. Managed to steady myself to receive a superb covered blow job before Sabrina mounted me, we both took a snort, and then fucked hard to a shattering crescendo. Will definatly be back, highly recommended, treat her well guys.
