Very cute, petite girl with a slim but nicely curvy sexy figure. Nicely dressed and made up.

The Story:

Antonia is a very sweet and nice girl. It was enjoyable to be with her as soon as she was in the place. She has a beautiful little body and honestly the sexiest little firm round peachy bum I've ever seen. When it came to the time it was a joy to get my hands on her and a good time was had, covered O fine and general petting and reverse O v sexy.

There was just two downsides. First no kissing at all. Always a disappointment but can be taken in ones stride. So dealt with that. Secondly, though plenty of hard f*cking was fine once well into the time it was announced no coming inside permitted... and this is with a condom ON! I ground to a halt and was totally lost for words on that one. Isn't it kind of fundamental for the job! However managed to recover my composure (theres no arguing) and finishing was a covered hand job. Actually ok as I generally make the best of things but in my short career I've never come across that one before!

She is a really nice sexy girl however have to mark her down quite a lot on that one. Not a waste but if I had known I would have booked someone else as there are other lovely girls on the site who in my experience offer the whole service. It actually made it worse as she is so sexy and f*ckable! But good luck to her if she can get away with it. So recommendation with that large proviso but couldn't book again. Pity cos otherwise she would be well worth it.
