### The Premises:

End of Terrace ex Council House in a quiet street. Plenty of free parking, reasonably close to bus routes, don't know about trains. Room is basic but clean with fit for purpose double bed.

### The Lady:

Pretty Chinese girl in her twenties, but with the slim body of a younger girl, say mid teens. Very clean and friendly, completely shaved down below. Very basic English.

### The Story:

The basic fee for 20 minutes was ?40, but as with Jenny before I agreed ?10 extra for OWO. Although I had showered and washed Peter's Pecker thoroughly that morning she went through a very elaborate cleaning process with some antiseptic body wipes. Her O levels were good and she soon got the hint to use her fingertips to simultaneously tickle me between balls and bum, nicely hitting my G spot.

I then enjoyed sex in three positions, culminating in doggy, where I pumped away to a pleasant conclusion, although she was subtly preventing me penetrating too deeply.

An extremely good value punt with a pretty and fresh young girl, Strongly Recommended. Unfortunately I am unlikely to see Joy again as there seems to be a new girl every week, however variety is the spice of life!
