A clean tidy flat close to Five Ways. Charlotte mentioned however that she would soon be moving to London.

The Lady:

Charlotte has an athletic figure, pneumatic breasts and blond hair.

The Story:

This was a "get-together" with a difference. Charlotte is a very welcoming person who puts her guest perfectly at ease; one can chat with her over a cup of tea for ages. I felt so relaxed that I wanted to try out some new things with her just for fun. Charlotte was very obliging. Charlotte removed her black cocktail dress to reveal some classy underwear. After massaging each other she gave me a marvelous covered blow job, which I asked to experience blind-folded. She eventually finished me off between those incredible breasts of hers; the first time I've cum that way.

I really liked Charlotte as a person. I think that one could experience a lot more than sex with her.
