The Premises:

Well reported elsewhere and as expected.

The Lady:

Long blonde streaked hair. She looks older than the 23 years stated, pretty face and deep brown eyes. Her figure remained covered throughout the session.

The Story:

Sadly this was a disappointing experience which fell short of the exciting write up on the web site. I chose Caitlin because of what I read beforehand. I would not describe it as a porn star experience. The initial massage was fully clothed and there was no hint of her top ever being removed. Kissing was ruled out on entry so not what I would expect of GFE. There was no oral offered never mind WO or TC. And we did not have any rapport in the main event which was interrupted, but that may have been my poor technique. She was definitely distracted.

Caitlin was polite and perfectly pleasant but we did not hit it off and I did not get the service which had enticed me which was a shame. Perhaps it is different for others and it was just me.
