The Premises:

the place is opposite a small supermarket, costcutter. it is right next to the arsenal football stadium. i can imagine this road to be overcrowded during football matches. you open the door and then there is another door where the lady asks for a ?10 entry fee. you are allowed inside then. insie there are two sofas, 6 or 7 girls sitting on the sofas and you basically take you choice. they are all covered in long dresses that hides all their body, which is weird because you can not really see what you are getting and you have to chose from the face only.

The Lady:

very tall, about 30ish, from czech republic (all the workers here are from e. europe) dark brunette hair, about 34 c, very wide and long vaginal lips, small bum.

The Story:

i picked katrina she took me to the room, the room had a bath, sink, and a ironing board which is known as a bed to have sex on. katrina said it is ?60 for half hour. the lady at the entrance had said to me was ?50 for half hour. i could not be bothered and just played along giving her the extra tenner. she sucked me off for ages, i came all over her bum in the end. nice girl, good service, no kissing, she said extra money, typical place where they try and rip you off for the extra ?20 quid here and there. plenty of girls to choose from. lady at entrance told me all the girls we have are from e.europe, which is the norm of these sauna places now. very limited choice in terms of nationality. overall nothing special and nothing awful.
