The Story:

The only time I've walked away from a punt. Clearly stated on the AW profile OWO. Through her broken english she tried to say that she only gives OWO if your circumcised (I'm not). I said this should be clearly stated on her profile. I was so pissed off I said keep 20 for the 10 minutes I'd been there, got the other 40 back and got out of there. The place is a cheap con.
