The Premises:

A small flat close to the centre of York 5 mins walk from Cliffords tower. Easy to find and parking was not a problem, inside was clean tidy and discrete.

The Lady:

She is a tall slim blonde good looking girl, in her late 20's. She is pleasing on the eye and has a pleasant personality who is easy to get on with.

The Story:

I started with a back massage and this was very good indeed not the usual stroke of your back but a good massage of the back muscles. I was very relaxed after about 10 mins.

I then turned over for some kissing and fondling. She enjoys giving and receiving oral of which I spent plenty of time tasting her beautiful juices.

Onto some sex next in all positions whilst passionately kissing. I had a truly great time with her and one that I can most definately recommend.

A little more than I usually pay but well worth the extra as she gives a true girlfriend experience and not just a clinical mechanical service that some girls offer.
