The Premises:

Gfe being the first massage parlor I have been to, I found it very clean, well presented and professional looking as I didn't really know what to expect, and I've just been going back and back again. There is a cosy waiting area well suited with ambient lighting where you can spend some time relaxing whilst the girls come out 1 by 1 and present themselves to you. Everytime I've been they have always been very clean, professional and friendly. You make your choice and off you go.

The Lady:

I had a quick look on the website beforehand at each girls descriptions, pictures and other reports. I knew which one to choose straight away. A very attractive polish lady, who always has a smile on her face. The pictures on the site dont do the girls justice, they are all very attractive, and this certainly applies with Emily. Some of the best pair of legs I've seen to compliment an amazing figure.

The Story:

Once in the room I opted for ?65 GFE experience.

All I can say is I'm becoming a bit of a regular with Emily now because she always aims to please, and she does on a consistently high level.

I swear blind she is a mindreader. I don't tell her anything and she knows exactly what to do, which just adds to the level of service she provides.

I hope we have many more amazing encounters together, and I'm sure any guy who has had the pleasure knows just how amazing she is.

Upmost respect to this lady please fellas, she deserves it.
