### The Premises:

I'm becoming a regular here so no need to give details - see previous reports. As usual friendly welcome from Receptionist. Slight problem with doors let me see punter about to leave and him me - no problem as I do not live locally.

### The Lady:

Natasha is a pretty Chinese lady from Beijing. Hard to tell her age but a few stretch marks tells that she has borne children. Like Amy she has enormous nipples on petite tits. Unusually in my experience she has kept a quite bushy but trimmed pussy.

### The Story:

After undressing we stood cuddling but no real kissing I'm afraid. Both exploring each others genitals. After a while Natasha laid on the bed for me to suck her nipples and explore her cunt with my tongue. Fingered her clit but not allowed to push my fingers in. Having agreed an extra ?10 for OWO, after a quick wipe, Natasha took my cock in her mouth. A pretty good BJ with lots of eye contact.Changed positions with me standing and her kneeling.She would have kept going but I wanted to fuck her. On with the cover to fuck her doggy and then on her back with legs over my shoulder.Slightly annoying fake "oh baby" and "oh yes" but good finish nevertheless. Girls change every week so if you want to see her you need to hurry.
