The Premises:

Very nice basement flat in a large block near Regents park, very easy to find 3 min walk from Baker street tube station. Flat clean with shower available, felt safe.

The Lady:

Petite, slim and attractive lady in her 30s. Very nice breasts and spankable bum.

The Story:

Very enjoyable hour with a lady who obviously enjoys her work. Asked for a naughty school girl role play and was not dissapointed, she dressed and played the part perfectly. She as a full range of implements which I made good use of, giving her a good spanking, before OWO protected sex and CIM to finish.
