The Lady:

Beautiful. 5'8", 25, curvy, blonde, all-over tan with lovely, large natural breasts and a wonderful arse on an hour-glass figure. Amazing.

The Story:

After my recent rip-off and disappointment with passionVIP I decided to get straight back on the horse.

Ashley was truly awesome. I freshened up and she gave me a nice massage then kissed me full on the lips as I turned over. I became aroused with splendid owo and on with the protection. I almost came within seconds of missionary but managed to hold back.

Ashley then guided me into her arse...deep in her arse. We kissed as she moaned gently as I made love to her arse. She turned over and I held her perfect arse cheeks as I continued to make love to her arse. Ashley looked amazing and asked me to finish in her mouth.

Lying down again she brought me to climax in her mouth asking to taste my spunk. This was incredible.

We chatted as we got dressed and discussed how I'd paid ?180 recently for an appalling booking with passionVIP and she said she was available Sundays and offers all services. I'm going to take her up on the offer of a two-girl in a couple of weeks.

I can't wait to return, for a longer booking if possible.
