The Premises:

Ria works out of her flat in Wimbledon about 5 minutes on a cab from the Wimbledon tube station. The flat though small is clean.

The Lady:

The description in the website is fairly accurate with the additional information that she has a very captivating smile and a well toned body, including her bum.

The Story:

Ria is the total package, with her service, attitude, and body. From the moment I saw her, I had positive vibes, and she did not disappoint. It started with a nice hug followed by lot of DFK. She was wearing the dress shown in the pictures. I quickly disrobed her and myself. She started kissing my nipples and worked down to my junior who was already stiff. In the mean time I was fingering her wet pussy. Then some nice OWO with lot of tongue action, then some 69 action.

She then put a cover on my junior and we did it in several position including the A-level service (charges 50, well worth it).

This was one of my best punts with an indian girl, and can't wait for an encore!
