Details of Service Provider:

The Premises:

Typical Soho walkup near Chinatown. Quite public and busy but easy to slip into without really being noticed. Pretty safe area, even late at night.
Quite a nice room for Soho.

The Lady:

Slim and pretty Russian girl with blonde hair and shapely figure. Natalie speaks very good English and is very easy to talk to - and is very easy on the eye as well!

The Story:

I've seen Natalie many times during the past few years and have never had a bad service, it's a nice feeling when she always recognises me.

Natalie is quite cheeky and often fondles my dick or bum as we have a quick cuddle before I undress - turn your back on her and it's guaranteed that you will be groped!

I went for my usual, which is a covered blow job, 69 then fuck in several positions. Natalie also does OWO, which is quite unusual for Soho, but it's a little expensive, so I save this for special occasions. There's no real need to pay the extra for OWO though since Natalie's covered blow job is excellent, with plenty of eye contact throughout, so good in fact that on several previous visits I've paid for the full service but just let her suck me until I cum because she is really good at this - lots of eye contact and moves to any position you ask for, I usually like to finger her pussy while she sucks me.

Thanks Natalie, see you again soon!
