### The Premises:

The place is located on a very quiet street near Kings Cross Station. Inside is a bit dingy, and you will probably see the selection of ladies on your way to the bedroom.

### The Lady:

I was shown a choice of 3 ladies (sometimes you can get up to 6!). I chose Eva, a black woman, about 5'7, B or C cup boobs, average looks. Fantastic looking arse.

### The Story:

I paid for half hour. I got an ok massage, ok oral (with), rather drab sex. I did come, so I should not complain too much.

I have used this place on a number of occasions, but I have noticed the quality of service has gone down hill. I don't expect GFE for ?60, but still.
