The Premises:

A little bit exposed and parking was awkward due to permit only areas.

The Lady:

Not quite as perfect as her photos to be honest. But still a very attractive girl indeed. Nice skin and fit body.

The Story:

Was shown into the room where I waited for about 10 minutes. During this time I could hear everything going on in the other rooms as the walls are paper thin. Their previous lodgings were much better than this.

Eventually Mila came in and after handing over the money things happened very quickly. OWO, 69, missionary and doggy style. Although I felt a little disappointed with proceedings she managed to get me to come in doggy style within 20 minutes which is a testament to how sexy she was and how good she was at her job. Quick massage to finish which was nice.

I probably won't return until they get better premises.
